PROPERTY DESCRIPTION

The south-facing apartment is located in a spacious complex with many green areas.

The mega apartment has a large living and dining area with integrated kitchen and access to a spacious covered terrace. It has 5 bedrooms, 5 bathrooms and 1 guest toilet.

The sea view from the living area and from the master bedroom is amazing.

The large windows and high ceilings create a spacious atmosphere. And the combination of natural stone with modern design elements, together with the carefully planned, high-quality interior fittings, convey pure luxury.

PROPERTY FEATURES

- Air conditioning
- Underfloor heating
- Natural stone floors
- Kitchen and fitted wardrobes from Poliform
- Miele kitchen appliances incl. washing machine and dryer
- Double glazed aluminium windows from Panoramah
- 2 communal pools
- 2 or 3 parking spaces in the underground car park can be purchased optional
